

Enterprise Document Management

Secure Documents within your Enterprise

Discover new ways of securing and sharing documents

- Access your saved work from any computer with internet access from anywhere in the world.
- Manage your personal and company files and folders on the Office Manager Solution.
- Upload and share company files and folders from any location.
- Capture, store and archive document

It has been customized to further have the following features:

- Indexing and retrieving tools for document search
- Version control
- Security to protect documents from unauthorized access
- Document workflow & Audit trails
- Document Search

Would you like to find out how this works? [START NOW](#)

Those who do not remember the past are condemned to repeat it
